## Kiwanis Takes Firm Grip On Little League's Lead

League-leading Kiwanis squeaked on first place with its close victory, 8-7, in a Little League tilt last Friday. The only other action this week was a 1-0 K. of C. victory over the Exchange.

Kiwanis, getting a firmer grip on first place with its close victory, took an early lead when, in the first, Jerry Callahan singled, Bardes walked, Lee Griffiths was hit by a pitch, and an error by the pitcher scored three runs.

Two more were tallied in the second when John Peterson and Dick Tiani scored on a double by Sandy Bardes. Mike Johnson and Pepper Sweet, who reached base on a single and a double, scored on a single by John Peterson.

In the fifth the Firemen made their move with doubles by Bob Saggese and Bruce Monaco, a pair of walks, a single by Bob Paglianga, and error brought in five runs. In the sixth the Firemen tied it up with singles by Vitti, Paggy and Tiani and a pair of walks.

Kiwanis, however, soon pulled the game out of the fire with singles by Callahan and Tiani, and an error.

**Exchange-K. of C.**  
Scott Northey of the K. of C. not only tied the record of strikeouts with 16, but also scored the only run in the game with a homer in the second inning. He tied a record set by McCricker last year. K. of C. collected three hits, while Northey allowed only one in his shut-out.

Exchange threatened several times. In the first, two successive walks put Murphy and Raymond on base, but three quick strikeouts squelched it. In the fifth three successive walks loaded the bases, but again two strikeouts eased the situation.

The Exchange pitcher, Tom Welby, also did a fine job, with 13 strikeouts to his credit.

K of C	6	2	.750

## Robins And Larks Lead Cub League

### Three Teams Are Tied For Second Position With Week To Go

Both the Robins and the Larks have moved into first place with one more week of play in the Cub League. Both teams are scheduled to play make-up games with the Crows before the final whistle blows.

It is still possible for any of the top six teams to win the pennant, which is most unusual this late in the season.

The league standings are as follows:

	Won	Lost	Tied
Robins	5	2	1
Larks	5	2	1
Eagles	5	3	0
Orioles	5	3	0
Owls	5	3	0
Crows	3	3	1
Cardinals	3	5	0
Hawks	3	5	0
Blue Jays	2	6	0
Wrens	2	6	0

Summaries of last Saturday's games:

**Wrens 8-Blue Jays 7**  
The Wrens won a tight ball game, with the strong hitting support of Ralph "Bucky" Boccarosse and "Taxi" Smith. Bucky also contributed some outstanding catching and was responsible for cutting off three sure runs at the plate. Working well with him on the mound was Paul Herzberg.

For the Blue Jays Peil Pennington was excellent on the mound and chalked up four RBIs. Also helping was Richard Perna with two hits and Pete Cursio with a double and a triple. Doug Bromfield pitched shut-out ball in the last two innings as well as contributing a hit.

**Robins 9-Hawks 1**  
The Robins' Doug Low pitched a good game and was well supported by the hitting of Mike Zahner, John Rayner and Dick Gilligan. Ricky Eaton was the Hawks' first pitcher and at bat he tried to stretch a triple into a home run, but was tagged out at the plate. Ray Peterson relieved him while Capt. Stanley caught well for the whole game.

**Orioles 4-Cardinals 1**  
There was a total of 30 strike-outs during the game, 17 by the Orioles' pitcher, Dick "The Arm" Everitt, and 13 between Mark Rearick and

tle, FC, second; Steve Gray, FC, third. Time, 47.1 seconds.

Margaret Hodgins and Jeff Couch of the Field Club were the winners, respectively, in the girls' and boys' junior diving with Stamford, capturing the runner-up points while a Yacht Club diver, Janet Langdon, took first in the senior girls' diving with Barbara Tuttle and Gail Davidson placing second and third.

Bill Alpert of the Field Club was first in the senior boys' diving with John Carlin of Stamford, second.

In this event also, the local club won both relays with Dorothy Edwards, Marion Jordan, Didi Chapin and Elin Quinn comprising the girls' team and West, McArdle, Haskell and Tuttle, the boys'.

Jonathan Purick for the Cards. Pete Saxon got the only Orioles hit, a double to score three RBIs. Purick belted the only Cardinals' hit to put himself into scoring position.

**Larks 5-Eagles 4**

As usual, Barry DeLapp for the Larks pitched very well and drove in two runs with a triple. Also for the Larks, George Saltonstall drove in the tying run and in general the Larks' infield play was excellent. For the Eagles, both Gary Smith and Gene Tiani shared the mound, but there just weren't enough Eagle hits to rack up another win.

**Owls 12-Crows 3**

It was a good day for the Owl sluggers. Big Steve "Country" Slaughter belted out three for three, two doubles and a home run to total three RBIs. Other hits belonged to Jack Johannessen with two, Lee Zandri with two and three RBIs and Pete Zucker with three singles and a double for two RBIs.

"Shoeless" Hank Whitsett did an exceptional job on the mound for the Owls, but it was a sad day for the Crows. The only bright spots were provided by catcher Andy Sayre, who was terrific behind the plate. There were nice hits by Bill Hornyak and Dave Brown, while Greg McVilvie made a nice play at second base.

The first of the three-way meetings took place at Bedford in June with New Canaan scoring 34 points,

# COMING TO DARIEN

A "Dream Kitchen on Wheels", installed in a giant truck trailer to show advanced 1959 Hotpoint appliances for the modern all-electric kitchens and laundries, will be on display at Darien Electrical & Floor Covering Shop, 1090 Post Road, Darien, Mon., Tues., Wed., July 27, 28, 29.

During the trailer's visit here, every homemaker in Darien will have the opportunity to see how new kitchen and laundry appliances do the work of "electric servants" and lighten the burden of daily housework.

The idea of all-electric living is becoming increasingly important each year as more families learn to take advantage of its benefits. Each visitor to the trailer will see actual demonstrations of each appliance and learn how to plan work-saving equipment into new and remodeled homes. This is one of three Hotpoint "Kitchen on Wheels" that are making nationwide tours this year.

The huge trailer display includes such new color equipment as a combination refrigerator-freezer, 30 and 39-inch electric ranges with built-in rotisseries controlled by lighted pushbuttons, built-in "Customline" ovens and surface units, a pushbutton controlled automatic dishwasher with special 16 minute pot and pan cycle, clothes washer with special cycles for regular and man-made fabrics, electric clothes dryer, food freezer, food waste disposer, and electric water heater.

Darien Electrical pointed out that nationwide surveys conducted by Hotpoint show more American homemakers each year are demanding all-electric kitchens and automatic home laundries not only because of the savings in time and money such appliances make possible, but also because of their many extra conveniences. He said many new appliance features incorporated in Hotpoint's advanced 1959 appliance line are the direct result of consumer requests for easier and more efficient ways to live and run a modern home.

Darien Electrical also announced that prizes will be awarded to lucky ticket holders. Tickets are available at the "Dream Kitchen" trailer.
